ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

---

This application was received electronically at the Board of Patent Appeals and Interferences on June 24, 2006. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being electronically returned to the examiner. The matter requiring attention prior to docketing is identified below:

An examination of the Image File Wrapper (IFW) reveals that an Appeal Brief was filed on August 24, 2005.

37 CFR § 41.37(c)(1)(v) reads as follows:

(c)(1) The brief shall contain the following items under appropriate headings and in the order indicated in paragraphs (c)(1)(i) through (c)(1)(x) of this section, except that a brief filed by an appellant who is not represented by a registered practitioner need only substantially comply with paragraphs (c)(1)(i) through (c)(1)(iv) and (c)(1)(vii) through (c)(1)(x) of this section:

....

(v) *Summary of claimed subject matter.* A concise explanation of the subject matter defined in each of the independent claims involved in the appeal, which shall refer to the specification by page and line number, and to the drawing, if any, by reference characters. For each independent claim involved in the appeal and for each dependent claim argued separately under the provisions of paragraph (c)(1)(vii) of this section, every means plus function and step plus function as permitted by 35 U.S.C. 112, sixth paragraph, must be identified and the structure, material, or acts described in the specification as corresponding to each claimed function must be set forth with reference to the specification by page and line number, and to the drawing, if any, by reference characters.

The “Summary of claimed subject matter” appearing on pages 2-4 of the Appeal Brief filed August 24, 2005 is deficient because it does not map the claimed invention to the independent claims. Correction is required.

Accordingly, it is

ORDERED that the application is returned to the Examiner:

- 1) for notification to appellants to submit a substitute Appeal Brief which corrects the “Summary of claimed subject matter”;
- 2) for consideration of the substitute Appeal Brief; and
- 3) for such further action as may be appropriate.
